# MEET YOUR NEW GOLF BUDDY

NVgolf.mobi

With this handy little mobile website, you can look up Nevada golf courses by name or city, get current course information, view maps and directions to your favorite golf resorts, and browse incredible golf deals. It will even clean your spikes - we don't recommend using it for that - but your old golf buddy didn't do that either.

Go to [NVgolf.mobi](http://NVgolf.mobi) on your mobile browser
