

# SUPPORT YOUR LOCAL FARMER

Across the state, markets pop up anywhere from May to October, and there's even some that run all year long. Here's a list of markets from [nevadagrown.com](http://nevadagrown.com) for the coming season.

As always, confirm the hours and location, along with any regulations due to COVID-19, before you go. For markets without a website, visit [nevadagrown.com/farmers-markets](http://nevadagrown.com/farmers-markets)
